Dear Sir:

REQUEST FOR CORRECTED FILING RECEIPT

Attached is a copy of the official filing receipt received from the PTO in the above application. Please delete the name "David George Gould" as the first named inventor and substitute the name -- Paul Kenneth Whittingham -- as the first named inventor.

David Gould was mistakenly named as the inventor when the application was filed without an executed Declaration. It was later determined that Mr. Gould was not the true inventor so his name was removed from the Declaration. The Declaration has been executed by the correct inventors: Paul Kenneth Whittingham, Patrick Tony Kenny and Mandy Jane Smith and is being submitted concurrently herewith in response to the Notice of Missing Parts.

Enclosed is a check in the amount of \$25.00 to cover the fee under 37 CFR 1.19(h).
